

Compliance Component

DEFINITION

<i>Name</i>	Workgroup Printer – Laser - Monochrome
<i>Description</i>	Defines the specifications for monochrome printing for medium to large workgroups. Devices in this category are suitable for most applications, with expandability options to increase their functionality.
<i>Rationale</i>	Enables State employees to print to a shared resource, allowing a lower total overall cost for printing. Workgroup monochrome laser printers are a versatile, expandable, low-cost printing solution for many agency situations. A standard configuration promotes economies of scale and ease of support. Anticipated useful life of these systems is 5-7 years.
<i>Benefits</i>	<ul style="list-style-type: none"> Enhances 24x7 support by providing quicker problem resolution. Allows State services to be provided in a more cost-effective solution.
